Important information about the Vets Driving Vets program

- All Drivers are volunteers that are using their own vehicles. Please be mindful and courteous when riding in someone else's vehicle and respect any rules that the driver has pertaining to their vehicle.
- All drivers have been screened and trained through LifeSpan of Rochester.
- All drivers in this program are Veterans
- Rides will only be given to Veterans that are enrolled in the program to receive rides. This may include dependents that are traveling with the Veteran.
- Please give us 72 hours notice that you need a ride by calling (585)313-9274.
- We will call you back to gather information about your need for a ride that we can give to potential drivers.
- You will receive a call from us and from the driver to confirm transportation details.
- Rides are subject to driver availability. We will do our best to find a ride for you, but may not always be able to guarantee one.
- If your need for transportation exceeds 2 hours in duration, a separate request may need to be made for a return trip.
- Drivers will only transport you to and from the location specified in the original request. Do not ask drivers to make additional stops or change locations.
- Use of alcohol and/or drugs is strictly prohibited and will result in denial of service. Absolutely no smoking while in the vehicle.
- We are not responsible for lost items. Please secure all of your items prior to entering the vehicle and make sure you have everything you came with prior to exiting.
